SAFE DRINKING WATER IN PLAYGROUNDS AND PARKS ACT

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 24, 2019

Ms. MENG. Madam Speaker, I rise today with a call to action regarding the right to clean drinking water. Every person has a right to drink water without fear of being poisoned.

That is why, today, I am introducing the Safe Drinking Water in Playgrounds and Parks Act. This bill would ensure states, municipalities, and schools have the financial resources to replace drinking water fountains. While we can test water fountains for lead poisoning, some municipalities and schools lack the resources to replace its water fountains; this is simply wrong. My bill will ensure such entities have the necessary financial resources.

Children who play at playgrounds may be exposed to lead if they drink from the water fountain. This is deeply worrisome and no parent should have to worry that their child may be exposed to this deadly contaminant.

Exposure to lead—even low levels—can have serious health and development consequences for infants, children under six, and pregnant women. For those exposed to this dangerous element, signs of poisoning may include cognitive impairment, behavioral problems, and other health related problems. According to the American Academy of Pediatrics, "there is no safe amount of lead exposure in children . . .," which is why it is critical that we advance efforts that prevents lead poisoning.

Madam Speaker, I urge my colleagues to support the Safe Drinking Water in Playgrounds and Parks Act. It is undeniable that the fate of our children and future generations rests on the decisions we make today about fighting lead water pipes.

RECOGNIZING LISETTE MORTON AND HER SERVICE TO THE HOUSE OF REPRESENTATIVES

HON. JERROLD NADLER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 24, 2019

Mr. NADLER. Madam Speaker, I rise today to commemorate the Congressional career of Lisette Morton, my long time Legislative Director and the Director of Policy, Planning, and Member Services of the House Judiciary Committee.

Lisette began her career on Capitol Hill nearly 20 years ago working on environmental issues for the late Congressman Bruce Vento. She started working as my Legislative Assistant in the year 2000 and became my Legislative Director in 2004.

Lisette has an encyclopedic understanding of a huge range of issues and always ensured that I was well prepared for hearings, markups, and floor debates. She is a constant source of reliable and informed advice on which I have relied for almost two decades.

Throughout her tenure in my office, Lisette worked tirelessly to meet New York's unique transportation and infrastructure needs. She helped achieve a major legislative accomplish-

ment by securing \$100 million under the Projects of National Significance Title of the Transportation bill for the cross harbor rail freight tunnel. Securing this much money in a highway bill for a rail project was unprecedented. She also consistently ensured that passenger rail legislation protected resources for the Northeast Corridor, while preventing massive cuts to Amtrak. She ensured I had a seat on the Conference Committee that negotiated the 2015 FAST Act, which allowed me to bring an additional \$1.5 billion in highway and transit formula funding to New York. In 2016, she worked on the FAA extension and ensured that my legislation, the Families Flying Together Act, was included in the final bill.

Lisette has faced down many national crises as a member of my team. She worked for me on September 11, 2001, and was tireless in her efforts to get a proper detoxification and cleanup after the attack in New York and to hold the EPA accountable. Without her fierce advocacy and dedication, there would be more 9/11 responders and survivors sick today. Her work laid the groundwork for everything that followed, including the establishment of a permanent World Trade Center Health Program and 9/11 Victim Compensation Fund. During the BP oil spill in 2010, Lisette worked tirelessly to get language I authored to ban the use of dispersants included in the Gulf Spill legislation that passed the House of Representatives. Finally, during Superstorm Sandy, Lisette worked closely with me and my staff to drive resources quickly to those who needed it in the aftermath of the storm. She worked around the clock with federal, state, and local officials to solve problems as they arose and pass supplemental funding legislation to build back our critical New York infrastructure and make it more resilient.

Lisette has always been an advocate for the arts, especially music, and protecting the rights of artists. Lisette played a critical role in my work on copyright issues with the Judiciary Committee. Lisette worked tremendously hard to pass the Music Modernization Act out of the Judiciary Committee and ultimately out of the House by a remarkable vote of 415-0. Passage of this bill was a major legislative achievement that took years to complete and would not have happened without her hard work and dedication to the effort.

Lisette played a critical role in helping to elect me to the position of Ranking Member of the Judiciary Committee in 2017. She quickly established herself as the Director of Member Services and worked to make sure Members concerns are heard and that committee staff and Members are kept informed of Judiciary Committee business.

This year, when I became Chairman of the Judiciary Committee, Lisette took on the new role of Director of Policy, Planning, and Member Services. She worked with our entire Judiciary team to create a bold legislative agenda, to ensure hearings were held on critical issues facing the country, and to pass meaningful legislation out of Committee and onto the floor of the House. With her help, the Judiciary Committee passed H.R. 1, the For the People Act; H.R. 8, the Bipartisan Background Checks Act; H.R. 1112, the Enhanced Background Checks Act; H.R. 6, the American Dream and Promise Act; H.R. 1585, the Violence Against Women Act Reauthorization; H.R. 5, the Equality Act; and H.R. 1327, the Permanent Reauthorization of the September
